Stated interior square footage is measured to the exterior face of exterior wouls and to the centerline of interior demising walls or to the exterior square footage is measured to the exterior face of exterior wouls and to the centerline of interior demising walls or to the exterior face of walls adjoining corridors or other common elements or shared facilities without excluding area that may be excepted by columns or other structural components. This method of measurement varies from, and is larger than, the dimensions that would be determined by using the description and the definition of the Unit set forth in the Declaration (which generally only includes the interior cirripace between the perimeter walls and excludes structural components). For reference, the area of the unit, determined in accordance with the unit boundaries set forth in the Declaration is set forth in Exhibit "3" to the Declaration. Note that measurements of rooms set forth on this floor plan are generally taken at the greatest points of each given room (as if the room were a perfect rectangle), without regard for any cutouts or irregularities.

Accordingly, the area of the actual room will typically be smaller than the product obtained by multiplying the stated length times width. All floor plans and development plans are subject to change. The Developer expressly reserves the right to make modifications, revisions, and changes it deems desirable in its sole and absolute discretion. All depictions of furnishings, appliances, built-ins, counters, soffits, floor coverings, lighting, landscaping and other matters of detail, including, without limitation, items of finish and desceration, are conceptual only and are not necessarily included in each limit. Consult your prospectus and Purchase Agreement. All dimensions and square footages are approximate and may vary with actual construction
